//

//

//

//

//

//

COUNT TWO

That on or about May 31, 2008, within the Southern District of California, defendant Genevieve ESCUDERO did knowingly and intentionally import approximately 10.86 kilograms (23.89 pounds) of methamphetamine, a Schedule II Controlled Substance, into the United States from a place outside thereof, in violation of Title 21, United States Code, Sections 952 and 960.

The complainant states that this complaint is based on the attached Statement of Facts incorporated herein by reference.

ROSALINDA ESTRADA
Special Agent
Immigration & Customs Enforcement

SWORN TO BEFORE ME AND SUBSCRIBED IN MY PRESENCE, THIS 2ND
DAY OF JUNE 2008.

PETER C. LEWIS
UNITED STATES MAGISTRATE JUDGE

1 UNITED STATES OF AMERICA

2 v.

3 Genevieve ESCUDERO

4 STATEMENT OF FACTS

5 This Statement of Facts is based on the reports, documents, and notes
6 furnished to U.S. Immigration and Customs Enforcement Special Agent Rosalinda
7 Estrada.

8 On May 31, 2008, at approximately 1832 hours, Genevieve ESCUDERO
9 attempted to enter the United States from the Republic of Mexico through the Calexico,
10 California, West Port of Entry. ESCUDERO was the driver and sole occupant of a 1997
11 BMW 385I bearing California license plate 5RSY323. ESCUDERO was also the
12 registered owner of the vehicle.

13 Primary Customs and Border Protection Officer (CBPO) F. Lopez received a
14 negative Customs declaration from ESCUDERO. ESCUDERO stated she had gone to
15 Mexicali to see the doctor. Upon inspecting the vehicle, CBPO F. Lopez noticed the
16 driver side rocker panel of the vehicle had been recently painted. CBPO F. LOPEZ
17 then requested CBP Canine Enforcement Officer (CEO) J. Jones utilize his Human
18 Narcotics Detector Dog (HNDD) on the vehicle. CEO J. Jones's HNDD alerted to the
19 front passenger side rocker panel of the vehicle.

20 Upon further inspection of the vehicle in secondary, CBPO Pelayo received high
21 buster readings in the rocker panels, and noticed that the screws holding the carpet had
22 been tampered with. Upon removing the screws and carpet, an access plate was
23 discovered on both driver and passenger side rocker panels. CBPO Pelayo discovered
24 a total of 22 packages wrapped in clear cellophane tape and black electric tape,
25 concealed inside the rocker panels of the vehicle. Ten (10) packages contained a white
26 powdery substance, which field-tested positive for cocaine. Twelve packages (12)
27 contained crystallized rocks that field-tested positive for methamphetamine. A total of
28 7.02 kilograms (15.44 pounds) of cocaine and 10.86 kilograms (23.89 pounds) of
29 methamphetamine were found concealed in the rocker panels of the vehicle.

1 ESCUDERO was notified of her arrest and advised of her Miranda Rights, which
2 she acknowledged and waived. ESCUDERO admitted knowledge of the drugs in her
3 vehicle and stated that she was not being paid but has been supported by the individual
4 who put the drugs in her car for the past three years.
